The hills are alive with the sound of music - German - as Mt. Lemmon celebrates its annual Oktoberfest!! One does not have to travel to Europe - or the River Rhine - to join in the festivities. Just turn the ignition on in your car and point the hood (or bonnet if you happen to be British) toward the Catalina Highway, thence to the Hitchcock Highway and follow it to near the end where numerous German and Austrian delights await you.

SKI VALLEY - On both Saturday and Sunday, from 12:00-5:00PM you can hear the music of a German band. On Sunday in addition to the band from 12:00-5:00PM There will be German dances to entertain you. German food will be served at the Iron Door and in addition there will be games and prizes for one and all. Needless to say, there will be plenty of German beer for what would an Oktoberfest be without it?

AT THE VINE IN THE VILLAGE - From Friday evening thru Sunday will be music with Friday evening featuring the 'Hoot Revue'. On Saturday at 3:00PM will be an exciting Beer Drinking contest, at 5:00PM a thrilling Yodeling contest and at 8:00 PM once more the 'Hoot Revue' plus a Polka contest. On Sunday at 1:00 PM participate in the Pie Eating contest, but if you prefer something more athletic have a go at the 3:00 PM Hog-Calling contest. The 'Hoot Revue' will run throughout the day and, of course, always available will be delicious German food, dark German beer and German music.

SKI VALLEY

The 'Autumn Leaves' as played by Roger Williams is most nostalgic and will be brought to mind when you come to Mt. Lemmon on the weekends of October 8 & 9 and October 15 & 16 - two weekends designated the 'Aspencade'. The chairlift which will begin running at 11:00AM all four days, will take you to the top and return, or if you wish you may get off at the top and return to Ski Valley via one of two trails - Sabino Dawn and Aspen Draw. Forest Service Guides will be giving nature talks each hour. Also in attendance will be our old forest friends Smokey the Bear and Hootie the Owl. Even though you live in the desert there is no reason you cannot come to Ski Valley and enjoy an Alpine fall.

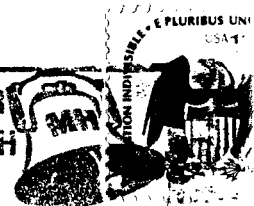

During the two weekends of 'Aspencade' the Mt. Lemmon Womans Club will be conducting a Rummage Sage in the Village beginning at 10:00AM. On your way to or from Ski Valley drop by and see if you can find something without which you cannot possibly live. Proceeds all for a worthy cause - our Community Building.
