## ANNUAL MEETING

The Annual Meeting of the Mt. Lemmon Homeowners Association will be held Thursday, October 12th, 1978 at the Tucson Women's Club, 6245 E. Bellevue Ave. Registration will begin at 6:30 PM and a bar (with all proceeds going to the Mt. Lemmon Volunteer Fire Department) will be open until 7:30 PM.

The Mt. Lemmon Woman's Club will be serving a Chicken and Rice Dinner with green beans, jello and tossed salads, rolls with butter and cake for dessert plus all the coffee you can drink for \$3.95 per person. The dinner will be served beginning at 7:30 PM. For those not desiring dinner, but wishing to attend the meeting, there will be coffee and cake available for 50¢ or just coffee for 25¢. Reservations for the dinner may be made by calling either Regina Rhind, 326-1267 or Fran Zimmerman, 791-9881 or by mailing your check to Mt. Lemmon Homeowners Association, 4051 Calle Chica, Tucson, AZ., 85711 (Winter address).

The business meeting will begin immediately following dinner and will feature updates on the various matters concerning Mt. Lemmon, but as we have no Major Dragons to slay this year, it will be primarily a social and fun evening. Come and see 'Tamian' and 'Yulena', mysterious and lovely dancers from the Far East(side), movies and other surprises.

Election of Officers for the new year will be held with the Nominating Committee presenting a slate for your consideration, but please remember that nominations from the floor are welcome and perhaps you have a person in mind that you think would represent the Homeowners in a strong manner on the Board.

If you wish to pay your 1979 Homeowners dues at this time, and many do, the Membership Chairman will have stickers on hand.

Each year we have super door prizes and this year will be no exception. Perhaps the lucky turn of the wheel will come up with your number this year.

\*\*\* PRE-SKI SPREE \*\*\*

SKI VALLEY

'Pre-Ski Spree' - try saying that fast ten times! This is an effort to make people aware of the Ski Valley facilities on the mountain. It is truly amazing how many people in the Santa Cruz Valley DO NOT KNOW that all of this exists. Ski Valley will be directing attention to the marvelous range of activities available. They will explain rates and rentals and the Ski Patrol will be represented so you may ask all the questions you wish. You name it and they will have it. Pass the word along to a friend or neighbor who might possibly be interested. Imagine! Skiing only 30 miles from Tucson!

October 14 & 15

\*\*\* OKTOBERFEST!! \*\*\*

SKI VALLEY - On both Saturday and Sunday there will be German food and beer at the Iron Door Restaurant. Along with the German cuisine will be the much-loved 'Oompa-pa Band', University of Arizona International Folk Dancing Club with German dances, Childrens contests, decorations and German costumes abounding.

VINE IN THE VILLAGE - If you are contest minded - and who isn't - stop at the Vine and see what's up - they have plenty on tap: German food, costumes and just the right atmosphere to put you in the mood for this special celebration. Featured will be contests of all sorts - beer drinking, yodeling, Polka, pie-eating, a Walking Marathon and the Ring Pull - a real, authentic German Folk Game. A new feature this year will be the election of a King and Queen with votes at 1¢ each, the proceeds going for a worthy cause.

WUNDERBAR!!

October 21, 22, 28 & 29

ASPENCADE

SKI VALLEY

This beautiful event is held each year to remind people that there is Fall in Arizona - the beautiful colors of ash, oak, aspen and maple. Come and enjoy the chairlift to the top, after which you can either ride the chairlift back down or take one of the two nature trails, both self-guided - Sabino Dawn (approx 1 Mi. in length) or Aspen Draw (approx. 2 Mi in length) - the latter defies description. The Iron Door Restaurant will be open and for the Children Smokey the Bear will be in attendance. Autumn at its loveliest is awaiting you on Mt. Lemmon.

Sometimes in the business of getting items for the 'Echoes' we overlook the obvious and what is right under our noses goes unmentioned. Such has been the case with Mt. Lemmon Homeowners Member Fred Keers and his Mt. Lemmon security. At all hours we see his vehicle going by on his appointed rounds. Now we are without resident deputies Fred is our security. Pleased comments on the lowering of break-ins and vandal incidents have reached our ears and that is good news indeed! Give Fred a call at 791-9804.
