Mt. Lemmon Fire Dept.

by Fred Keerse- Fire Chief

So far, this winter has been a dream compared to the ones in the past. We have not had to worry about vehicles unwilling to start and pumps freezing and the other worries of winter's effects on our equipment. Now that we have moved into our new building we have been able to do some repair work that was impossible before.

We have lost quite a few of our firemen due to the lack of an economic base to support their living on the mountain. We have recruited three more young people, among them our new Postmaster, Mark Hopkins; they are all being trained this winter.

We are in need of some volunteers to swing hammers to build partitions in the new firehouse. If you have some free time to donate, please call 576-1636, it would be greatly appreciated.

Remember, if you need assistance for fire or medical emergencies from your fire department, Call **911**.

Mt. Lemmon School Update:

by Mark Hopkins

Are you interested in re-opening Zimmerman School. In order to do so ~~WE~~ **NEED STUDENTS** ! If you have children and are thinking about living on Mt. Lemmon next autumn or if you know of someone who is, please let me know.

[school con't]

If you are planning to sell or rent your property to a family I would appreciate hearing from them. A local classroom seems to be much safer and simpler for our children, since they will not need to be bussed up and down the mountain road each day. I also think that an operational school lends identity to this community and probably makes real estate more valuable and attractive to families. Thank you for your interest and please contact me if you have any suggestions or comments. My home phone number is: 576-1419

Mt. Lemmon Woman's Club:

by Fran Zimmerman

During these winter months our club has been busy preparing for the upcoming Spring and Summer events. On March 13th and 14th, a number of our members attended the Southern District Convention held in Patagonia by our member Regina Rhind, who is President of the Southern District. We who attended spent a lovely day in Patagonia touring the Patagonia Sonoita Creek Sanctuary, shopping and enjoying the lovely surroundings.

Pioneer Days at Ft. Lowell Park is being held April 4th. Our club will participate in the cake walk an event this club has been at Pioneer Days for the past six years or more. It is one of the many ways we raise money to keep the clubhouse in operation and available to all the mountain. We are planning to continue church services, on the mountain, during the summer months for all homeowners, residents and visitors. Remember that **everyone** is welcome !

The ladies in the club will continue to work on another quilt to be raffled at one of the events planned for this summer. Our thanks to Gloria Bell for her continued enthusiasm!

Remember that all ladies are welcome to attend any of our meetings to acquaint you with the club. Meetings are held every first Wednesday of the month in Tucson during the winter months and on the mountain in the summer. For further information, please call me at: 576-1333.
