

The Mount Lemmon Echoes

Introducing the Shrine to Mary, Undoer of Knots

by Dr. Gene Kinghorn

In Summerhaven on North Tucson Avenue a Shrine to Mary Undoer of Knots is being built. The Shrine campus is being built on three adjacent lots and will include a Chapel on the Southern lot, a Bell Tower with a Priest Quarter and a public restroom on the northern lot, and a Veteran's Memorial Ramada on the far north side. The Shrine is an outreach of St. Melany Byzantine (Ruthenian) Catholic Church in Tucson which is part of the Western Ruthenian Eparchy of the Byzantine Catholic Church located in Phoenix, AZ.

The architecture of this Shrine interestingly reflects the 15th century roots of Byzantine Catholic Ruthenian culture. Ruthenian culture exists in the massive Carpathian mountain range where through the centuries two cultural streams met: Western-Roman and Eastern-Byzantine. Here wooden churches, called "cerkvi" were built in three architectural styles: Boyko, Lemko, and Hutzel. Our Chapel is built in the Boyko style while the Bell tower is built in the Lemko style. A model of the Hutzel design built by a Ruthenian priest 40 years ago will be displayed in the chapel's narthex. The oldest churches from the Carpathian mountain range that are still in existence today were built in the 15th and 16th centuries. A characteristic feature of these wooden churches is that they consist of three parts. Starting east to west there are: the altar/sanctuary, the nave/where people participate in the Divine Liturgy and the narthex/entryway. As you look from atop Tucson Avenue at the chapel you will note that the three towers with the three crosses sit atop the three parts of the interior. The crosses you see atop are a symbol of Jesus Christ's death and resurrection and have been used since the 4th century. Four types of crosses may be found on the Ruthenian churches: double-armed Byzantine cross (as is on our Shrine), three -armed papal cross, Latin and Greek crosses.

We'll talk a bit more in the Echoes about the interior of the chapel, including the iconostasis in

the following months. We will also provide more background into the Catholic devotion toward Mary and in particular her charism as the "Undoer of Knots". In addition, the Mount Lemmon Woman's Club is sponsoring an informational meeting about the Shrine at the community center on Saturday, August 11th from 1p to 2p. Possible speakers include Dr. Frank Rankin (pastor and visionary), Chauncey Meyer (architect), Gary Griffith (general contractor) and Chuck Albanese (iconographer) who will talk a bit and answer your questions!

Many are curious as to when we will be done and ready to open. Well, our answer may sound very reminiscent of the scene in "Agony and Ecstasy" where Rex Harrison as Pope Julius scene after scene asks Michelangelo (Charlton Heston) "When will it be done?". Gary Griffith, our builder is pretty good at imitating Charlton Heston's facial expression :) ...! So stay tuned!

In all fairness to our Gary, our builder, every part of this project has been custom and in many cases, hand made just as were the original churches found in the Carpathian mountain range. We are currently at the stage of finishing the interior of the chapel (the furnishings will be complete by early next year), and during the upcoming months our work will focus on the Bell Tower/Priest Quarter. Once the Bell Tower is done, our attention will be turned onto the Ramada. We have hopes that the pavers for the Ramada will be ready for purchase in early October 2018 and will be installed early in 2019. On March 10th, our Bishop, John Pazak, visited the Shrine along with Fr. Robert Rankin, the pastor at St. Melany Byzantine Catholic Church of Tucson. Both were very enthused and see the Shrine as a blessing for the Eparchy.

Bishop John noted and with great excitement we agree: **"Something Good is happening here!"**

Summit Award 2018

by Lorri Hans

Each year at the MLHOA Annual Dinner, one person is picked from the hundreds of good people on the mountain. Making this decision is a difficult one as so many do so much for the mountain and for us as a community. This year's choice was not so difficult to make. Rose Mary Hinsch is forever seen in the mix when needed. Her creativity is only surpassed by her enthusiasm. You will always see a smile on her face with her arms extended to hug those around her. Her natural loving nature makes her a magnet to us, wanting to be around this charismatic lady with her ideas for helping and supporting the community. The best part about the Summit Award is when the speaker is describing the recipient and you see that person looking around the room, trying to figure out who they are talking about, only to discover, it is them! The look of pure shock on Rose Mary's face said it all! Congratulations Rose Mary Hinsch!! You are the PEOPLE'S CHOICE!

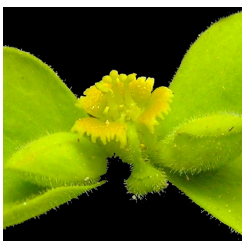

Few Flowers

by Frank S. Rose

We all know how dry Arizona has been this Winter and Spring. My friend and I walked Oracle Ridge on a clear sunny day, not expecting to come across any wildflowers. After about ten minutes, seeing no plants in bloom, we noticed a member of the Euphorbia family. The flowers are yellow and quite small, with fringed edges. I particularly like the geometrical arrangement of the leaves.

Mostly I have seen this plant in Chihuahua Pine picnic area almost two thousand feet lower, growing along the edge of the stream. It was surprising to me to see it on Oracle Ridge, along a dusty trail, in a very dry season.

As for its name-it is called: Mohave Spurge, or Hairy Mohave Spurge, and my botany friends tell me it is either *Euphorbia incisa*, the first name by which I knew it, *Euphorbia Yaquiana*, a name given to me by some Phoenix botanists, or *Euphorbia Schizoloba*, an old name which I just found looking it up on Wikipedia. Botany can be confusing. A few days before this, Ed and I were delighted to see both Red-Fuzz Saxifrage and Valerian blooming along the road leading to the East end of the Butterfly trail. Sadly, there were not as many plants as we have seen in other years.

Mount Lemmon HOA News

by Lorri Hans

On Tuesday, April 24th, we held our MLHOA Annual Dinner at the Viscount Suites and Inns. We had a great turn out! FireWise coordinator Sally Crum and Fire Chief Joe Gunia presented us with a very informative video. In this video, they simulated embers and how they penetrate your home or out-building. It was very interesting to see how fixing, what could be a potential fire hazard, was as simple as replacing a wire mesh with a smaller mesh. Fire was certainly the topic of the evening and we are all taking this topic very seriously. With little to no moisture this winter and monsoons still months away, we must continue to be vigilant and keep our homes as safe as we can.

We were told that we will be on stage II fire restrictions beginning on May 1st. Beth Borozan is working on getting informational packets to be passed out to visitors at the toll booth at MP 5. Volunteers will man the booth. On stage II, no fires will be allowed on federal land. While we will all continue to remove slash and built up pine needles from our properties, the slash area was closed on Wednesday, April 25th and will remain closed until the fire restrictions are lifted. They will do one last burn for the season soon. Also, the fuel reduction of the Marshall Gulch area has begun! So, if you hear chainsaws, the crews are hard at work! Plans for starting the clean up of the Turkey Run area will begin in 2019

We had so many engaging speakers at the dinner! Each had so much information to give us, most of it very good news! A grant of \$50,000 was secured by Steve Christy and Beth Borozan that will help us find a solution to the traffic issues in Summerhaven...this is a very large grant for the proposed situation!

Please remember to come up over the weekend of May 5th and celebrate the kick off of the Community Wildfire Preparedness Day! It will be a day of hard work, but the end result will benefit the entire community. There will be chippers, folks helping bring your slash to the chipper route, friends helping friends, neighbors helping neighbors...then at the end of the day, when you feel that "good tired" from a job well done, we will all meet at the Mount Lemmon Fire Station for a Spaghetti Dinner fundraiser. Dinner will be Spaghetti, Meatballs, Caesar Salad, Garlic Bread and Cookies donated by the Cookie Cabin, along with sodas donated by the General Store. Donation requested is \$10 per person and you can pay at the door. We will also have live music by local talent Bob Einweck. Hope everyone can attend! Save the date for the FireWise Block Party on the 26th of May too!! Lots to do this month!!

Renting Out Your Cabin

Life is busy and sometimes you don't get to use your cabin like you wish you could? If you have ever thought of renting out your cabin and making some money to supplement with the bills, Mount Lemmon Realty has done property management for 35 years. We are experienced and YES selective. Give us a call if you're interested at 520-576-1333.

THANKS FOR CARING AWARD

The Mount Lemmon Homeowner's Association honors:

David, Solomon and Mirianna Grossman

On Earth Day, the Grossman kids could be found picking up trash in their neighborhood. What better way to celebrate and honor Earth Day than to help beautify the mountain. We want to encourage our young residents to continue loving and caring for the mountain...with that we give a huge thank you to these three residents!! Keep up the good work kids!!!

Looking For a Few Good Volunteers

by Pete Krauss

We need people to spend a few hours in the MLCC Visitors Center to greet Mount Lemmon guests, primarily on Sundays as Paul usually covers Friday and Saturday. A good way to learn the ropes would be to spend a little time with Paul. He is always ready and willing to teach others. The hardest part is putting up the flag and operating the copy machine. The rest is just visiting with our guests about what there is to see and do on the mountain.

The tourist season is really starting to happen with the warmer weather in the valley. It really is fun and interesting to talk to our visitors who come from all over the United States and the world. Keeping our center open is good for businesses on Mount Lemmon, it supports the Forest Service, reinforces our relationship with Pima County Parks and Recreation (who provides us with the MLCC facility for our many meeting, parties, and programs).

Contact Pete Krauss at teamkraus@msn.com if you'd like to volunteer or call him at 520-887-0524

Please fill out the coupon below and mail your check to:

Mount Lemmon Woman's Club

by Mary Hunter, president

Summer is rapidly approaching and it is time to mark your calendar for the summer speaker program. As in the past, the Mount Lemmon Woman's Club will sponsor programs or speakers for the summer months, June thru September. All programs will be held on the third Saturday of each month following the Woman's Club meeting at 2:30pm at the Community Center. A special "Thank You" to Robin Kirk for organizing and scheduling these events. Listed below is the schedule for Summer of 2018.

June 16, 2018—Jerry Taylor and the "Banjo Blasters"

July 21, 2018—Henry Johnson- "Birds and Photography of the Southwest"

August 18, 2018—Suzanne Hensel -"Look to the Mountain"

September 15, 2018- "CASA"-Climbing Association of Southern Arizona

ALL ARE WELCOME!!!

Our "Done in a Day" project for April was the Tucson Rincon Lions Club. The Lions Club provides eye exams and glasses to those who qualify. Members donate used eyeglasses, hearing aids and cellular phones plus monetary donations.

The next meeting of the Woman's Club will be held Saturday, May, 19, 2018 at 1pm at the Mount Lemmon Fire House. **Note the change of location due to a conflict at the Community Center.** Following the meeting we will have the installation of new officers.

WOMEN OF SUMMERHAVEN YOU ARE INVITED TO THE ANNUAL WOMAN'S CLUB MEMBERSHIP LUNCHEON

DATE: SATURDAY, JUNE 2, 2018

TIME: 11AM

PLACE: D-1 CABIN (last cabin on Turkey Run on left)

**Enjoy a delicious salad lunch and get to know the
Mount Lemmon Woman's Club
ALL ARE WELCOME!!!**

Upcoming Mount Lemmon Fire District Board Election

by Joe Gunia, MLFD chief

Three seats on the Mount Lemmon Fire District Board are up for election in November. Two individuals currently holding seats have indicated that they will be running again. One individual will not. If you are interested in running for the District Board, you can obtain materials and information from Chief Gunia. Petition filing dates are July 8 through August 8, 2018. In addition, I encourage anyone interested in running to attend our board meetings.

Our next board meeting will be Monday, May 21, 2018 at the Fire Station at 4PM. Schedules for future board meetings can be obtained from Chief Gunia as they become available.

FireWise-May 2018

by Sally Crum, FireWise Coordinator

What exciting times on the mountain! Many cabin owners are busy preparing for what promises to be a VERY ACTIVE wildfire season! Please respond to your Neighborhood Captains; they are working hard to provide you with information and resources. The MLFD burned a significant amount of slash and over 125 bags of pine needles on April 9th. Kudos to all of you who have been hard at work protecting your cabins and our precious mountain.

May is a busy month for FireWise activities-Besides spending a day or two cleaning up around your cabins, there are a number of important events:

May 5th-Community Wildfire Preparedness Day-DOC Crews and volunteers will be available to chip and broadcast slash in our effort to reduced ladder fuels. I know I am repeating myself, but PLEASE contact the MLFD at 520-576-1201 X5 between 9 and 10 am for your FREE Same Day FireWise Assessment. By the time you receive this, many of our Neighborhood Captains will have completed 2 days of training and will also be able to perform FireWise Assessments. Cabin owners have found that with just a few modifications, they can significantly increase the chances of surviving the next (remember “It’s not IF, but WHEN” wildfire. Join us afterwards for a Spaghetti Dinner at the MLFD, provided by Lorri Hans; all proceeds will benefit our own MLFD.

May 26th-FireWise Block Party. This year’s event looks to be another good one. There will be many exhibitors, including U of A Science Center, AZ Department of Forestry and Fire Management, U S Forest Service (hopefully a Hot Shot Crew if they aren’t busy on a wildfire), SARA, Arizona Game and Fish, The Hummingbird Network and Face painting by our own Pam Haskell. There will be several raffles, including the “Cabin Rules” quilt and baskets of different kinds. Jenni Zimmerman will also have FireWise Tshirts for sale. Food will be available for a donation of \$5.00.

Watch Nextdoor and listserv for future updates.

USFS Announces Important Information

by Chris Griggs, USFS

The Coronado National Forest, Santa Catalina Ranger District, is in the final stages of completing the prescription for the Marshall Gulch Thinning project. This will serve as a guideline for how fuel loading will be reduced in the project area. Currently, we are looking at a 40-50% reduction of fuels. Crews began work on April 23rd. They will be focusing on removing under/midstory trees to open canopy gaps, promote health and reduce ladder fuels. Ladder fuels are fuels that promote surface fire to climb in the crowns of trees. Once material is on the ground it will be piled and burned at a later date when weather conditions are favorable. Work will occur adjacent to the Summerhaven boundary and eventually tie into the Pusch Ridge Wilderness boundary.

Additionally, the district has our permanent answer at the district ranger position. Charles (CJ) Woodard will be joining us on May 14th. He is joining us from the Spring Mountains National Recreation Area on the Humbolt-Toiyabe National Forest where he served as the Wildlife Biologist/Natural Resource Staff Officer. We are excited to have him join our team here on the Coronado. The forest is also planning on entering into stage II fire restrictions on May 1st. Please continue to check local news sources for more information regarding this matter.

Cheatgrass Season 2018

by Lindy Brigham

Cheatgrass season is approaching. Pictures of cheatgrass and more information on it are on the MLHOA website under Cheatgrass (<http://mtlemmonhoa.org/cheatgrass>.) For the past few years, Dennis Cozzetti has done the lion's share of the work with the skid sprayer. This is a big job and he really needs help. I will be working again with the Fire Department to hire off duty fire fighters to help, but we also need members of the community to step forward. If you are available and willing, please contact Lindy (labrigham@msn.com) or Dennis (dencozzetti@gmail.com) for more information. We will also be conducting community pulls and the backpack sprayers will be available for individuals to borrow. Make sure you are on listserv.

The MLHOA listserv went down at the beginning of the year and we have had to recreate it. If you have not already done so, please sign up via the website <http://mtlemmonhoa.org> or send an email requesting to be signed up to labrigham@msn.com. We use this listserv to get important FireWise information out to the community and to keep you updated on important issues and events. This is in addition to the Nextdoor app, so please sign up for both.

Motown Mountain is Coming Soon!

by Linda Currin

Powerhouse vocalists Katherine Byrnes, Crystal Stark, and Julie Anne bring their music of "Motown Mountain" to you on June 23rd! The Triple Threat Trio, accompanied by Jeff Haskell, will have you singing and dancing along to hits such as "Stop! In the Name of Love," "Hold On I'm Coming," "Knock on Wood," "Lady Marmalade," and many more! These divas will heat up the cool mountain night with "Motown Mountain!"-and they will have you "Dancing in the Street!"

This much-anticipated third annual summer concert will be held Saturday, June 23rd, 2018, at the Mount Lemmon Community Center at 7:30PM. Donations will be \$40.00 per person; your check is your reservation. Seating is limited, so send in your check ASAP. Checks should be made out to MLHOA and mailed to PO Box 699, Mount Lemmon, AZ 85619. This performance will be the best ever, so BE THERE!

FireWise Shirts

Jenni Zimmerman will be taking orders now for this year's FireWise Tshirt and will have them available for sale at the FireWise Block Party on May 26th. Order your shirts now to insure you get the right size as they will sell quickly! Please call 861-0161 or email jlavram1@msn.com to preorder your NEW mountain shirt for \$20.

Shirts are green
With yellow print

Order yours now!

"Save the Date"

On August 11th at 1:00PM there will be an informational talk regarding the newly erected Shrine to Mary Undoer of Knots. This will be held at the Mount Lemmon Community Center. The Architect Mr. Chauncey Meyer will be in attendance as well as the Iconographer Mr. Chuck Albanese who wrote the Pantocrator which is located in the dome of the church. Reverend Robert Rankin will represent the Eparchy of Phoenix as well as he is the Pastor of Saint Melany's Byzantine Catholic Church in Tucson. All are welcome to hear about the history behind the Shrine.

The Fourth Of July Parade

by Jennifer Shacter

The Fourth of July Parade is a much anticipated event by mountain residents and “city folks” alike. The Mount Lemmon Woman’s Club has proudly sponsored the parade for the past 43 years and will continue to do so for many years to come. Now it’s YOUR turn to “Get Patriotic”.

We are already being warned about the fire dangers for spring and summer of 2018, but rest assured...there will be a 4th of July Parade. Do you have any contacts with marching bands, clowns, baton twirlers, veterans groups, scout troops, fiddlers or has your own family considered a float? Please make copies of the parade entry form and encourage others to be involved. The rules are VERY simple and listed above the signature line of the Parade Entry Form. The sooner I receive YOUR Parade Entry Form, the easier it will be to complete parade planning AND the better our wonderful parade will be!

To volunteer (parade planning and/or assistance the day of the parade) or to offer suggestions, please contact Jennifer Shacter at [520-749-9233](tel:520-749-9233), [520-576-9329](tel:520-576-9329), or kksowner@gmail.com.

District 4 Board of Supervisors Update

by Steve Christy, County Supervisor

Greetings! I’m thrilled to be given this great opportunity to communicate with all of you on a regular basis through my own column in the Echoes!

I’m hoping you heard the good news that we received a \$50,000 grant from the Pima Association of Governments to go toward studying traffic congestion on Mount Lemmon and to finding solutions to remedy it. This has been a long time coming and a welcome development.

On Friday, April 13th, we took part in a town hall meeting held at the Mount Lemmon Community Center attended by more than 40 residents of our community. The subject presented by Pima County Regional Wastewater Reclamation Department was an upcoming inspection of our community’s 40-year-old sewer system by PCRWR. The meeting produced larger discussions and questions around future growth of businesses, residents, tourists, and economic development. I was proud to be there with all of you and was most impressed by everyone’s high level of interest in and knowledge of this very important issue ahead of us-an adequate Mount Lemmon sewer system.

Finally, our office is working on a project to staff the “toll booth” on the Catalina Highway with volunteers to educate Mount Lemmon Visitors as they come up the mountain about the three most important concerns within “Pima County’s Playground.” parking, trash and fire prevention.

We will keep you posted!!

MT. LEMMON 43rd ANNUAL JULY 4th PARADE
Wednesday, July 4th, 2018 – 12:00 Noon

It's that time again! Get out your costumes, kids, mules, horses, dogs, fancy vehicles, and instruments and sign up as soon as possible for this year's Mt. Lemmon 4th of July Parade!

Name of Group _____

Main Contact Person for Your Group _____

Complete Mailing Address _____

Telephone Number(s) _____

e-mail address (if available) _____

All the above information is needed in case of entry questions and/or for last-minute updates

CATEGORY: () ORIGINAL () PATRIOTIC () HUMOROUS

TRANSPORTATION: () WALKING () VEHICLE () WALKING with VEHICLE () HORSEBACK

This is an invitation for you and/or your group to join us on cool Mt. Lemmon for our 43rd Annual 4th of July Parade. Please remit this form no later than Tuesday, June 26th to Jennifer Shacter – 8750 East Bear Place, Tucson, AZ 85749-9158 or e-mail to kksowner@gmail.com. For additional information, call Jennifer at (520) 749-9233 or (520) 576-9329 (landline phones – PLEASE don't text). The parade line-up begins at 11:15 A.M. at the intersection of Ski Run Road and Loma Linda Extension Road. Check in at the registration table to be given your parade number to display on yourself and/or your entry. Late check-ins and/or non-preregistered entries will not receive a parade number, participation certificate, nor be eligible for parade entry judging.

Please write what you want the announcer to say about your group when you pass by the MLCC (the judging area). If you don't write something, we'll have nothing to say about you or your group.

What Do You Call Yourselves _____

Where Are You From _____

Any Colorful Background Information You Want the Crowd to Know

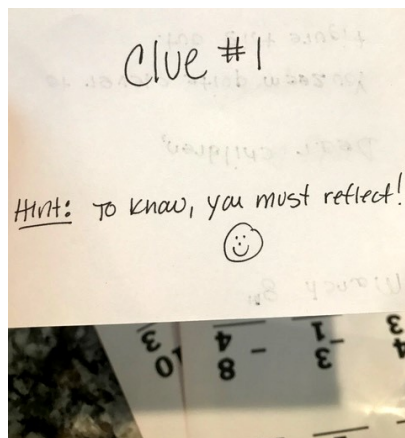

We need to keep the parade moving, so please listen to instructions and directions when given. Do not throw candy into the crowd. Candy may be handed to children or placed on the ground at their feet along the parade sidelines so they won't run into the parade route. Neither Frisbees nor objects of any type may be thrown into the crowd. Entrants will PAUSE in front of the judges long enough to be announced by the Master of Ceremony and then MOVE ON and keep moving to the end of the parade route. In the interest of safety, we ask for your cooperation in that there is no animal petting, stopping to perform further down the parade route, etc. The parade will end at the school.

Secret Codes, Multiplications, and Making Memories: Deciphering Clues on the Mountain

by Christina Grossman

It is time to have the kids explore the mountain. One likes to decode, the other one needs help in multiplication, and the younger one needs to remember a clue from a book I read to her. What better way to get them moving out and about, than a scavenger hunt!!

The idea was to write four different clues. The first clue, both boys could figure out. This idea came from a childhood book of mine, "The Secret Three". The boys had to place the secret note in front of a mirror to read it. The second clue gave one a chance to decipher a simple code as he really enjoys doing them. Clue #2 had to do with assigning numbers to each letter of the alphabet. It eventually led them to their favorite place to go sledding.

The next clue needed to help my other son with his multiplication. In order to do this, Clue #3 had to do with numbers assigned to letters, but those numbers were products that needed to be calculated through multiplication. The answer led them to the next clue, which was where we had our fairy garden outside.

The younger one needed to feel she was able to help out by remembering an important part of a book I read to her. It also helped her with rhyming words. The answer to the next clue had to do with finding it in a secret room in the house and eventually being led to the prize. It was a lot of fun and took about 30 minutes for them to get to the prize, cookies and hot chocolate! YUM!

Something to Think About:

There is a new excitement to teach children how to code on the computer. What I feel is a great introduction though, is to go back to old school secret codes and scavenger hunts. The kids really need to get intrigued by wanting to decipher something and it builds on their critical thinking. By getting them started to learn how to decipher different types of codes and clues, it really gets them to understand how symbols and numbers can be associated to different commands when they get to using code on the computer. This activity also gets my kids to go outside and explore the mountain, so this also ties into the importance of being in Nature. I plan to do more of this with them in the future!

The important thing is to get them excited about math and using it outside, especially if it involves cookies and hot chocolate at the end of all prizes! Enjoy!

To see all the pictures of each secret code, go to www.learningmathwithmom.com!

Warmer Weather Is Here!

As the temperatures outside begin to climb, Trico has suggestions on how you can conserve energy and lower your monthly bill.

- Set your cooling system thermostat at 78 degrees
- Clean or replace your cooling system filters regularly
- Use the cold water setting on your washing machine

For more suggestions, visit trico.coop

8600 W. Tangerine Rd. | (520) 744-2944

Trico is an equal opportunity provider and employer.

MLHOA

The Mount Lemmon Homeowner's Association (MLHOA) was formed in 1969 to protect the welfare of the Mount Lemmon community and to be involved in all aspects of its improvement. The concerns of the organization are not limited to private property owners. Full membership with voting rights is accorded to private owners and leased land holders upon payment of yearly dues. Being organized, having a legal fund and having active **LOCAL** voice participation enables the Association to accomplish most of its goals. Pima County has said the MLHOA is the strongest and most respected homeowner's organization in the entire county. Dues are \$35 per year payable in February. Renters and Friends of the Mountain may obtain membership for \$35 a year. The Annual Dinner and Meeting is held each year on the first Tuesday after taxes. To join the Mount Lemmon Homeowner's Association, send a check to Box 699, Mount Lemmon, AZ 85619.

The most visible product of the MLHOA is the **ECHOES**, a newsletter published ten times a year. The Association organizes social events such as potlucks, pancake breakfasts, ice cream socials and raffles, enabling owners to mingle. Members of the Board are: Mike Stanley, president; Jenni Avram, vice-president; Linda Currin, treasurer; Sally Crum, secretary; Lorri Hans, Event coordinator; Mickie Gelsinger; John Mulay; Pete Krauss; Debbie Fagan; Glen Schager; Mike Bernstein; Tom Thomas, Bill Piatkiewicz; Carrie Reitz, and Jerry Taylor.

Advertising in the Echoes is \$10 per issue for a proportional business card, \$25 for 1/4 page and \$50 per issue for a 1/2 page ad.

Mount Lemmon Community Center Can you hear me now? FUNDRAISER FOR ACOUSTIC PANELS

SPONSOR A PANEL TODAY!

Have you ever enjoyed a concert or event at the Mt Lemmon Community Center?

Acoustic Panels will greatly improve the acoustic quality of lectures, concerts, meetings, church and special events. Our community can make the difference by sponsoring acoustic panels. Consider sponsoring a small panel (2'x2') at \$40 each or a large panel (2'x4') at \$80 each. All sponsors will be honored on a naming panel in the meeting hall. To become a sponsor please fill out and return the coupon below with your check. We look forward to accomplishing this improvement with your help!

Name (to appear as Sponsor): _____

2x2 Acoustic Panel @ \$40: _____

2x4 Acoustic Panel @ \$80: _____

Total Sponsorship: _____

Make checks payable to MLHOA
